Project Title: *Kresge College Renewal and Expansion Project*

Project Location: *University of California, Santa Cruz – Main Campus*

County: Santa Cruz

Project Description: The project, which is comprised of an academic and a non-academic component, consists of demolition of ten existing buildings; construction of a cluster of three new residential buildings, an academic building, and a multi-purpose assembly space; and renovation of 11 existing buildings at Kresge College, one of ten residential colleges on the UC Santa Cruz Campus. New and renovated or reconstructed buildings would be re-programmed to increase the functionality of the residential, academic, and student support spaces. In addition, the project would include improvements to and new construction of outdoor amenities, circulation features (including bicycle and pedestrian infrastructure), storm water management system components, landscaping features, and utilities.

This Notice of Determination is to advise that the University of California Lead Agency has approved the above-described project on *March 14, 2019* and has made the following determinations:

1. The project will have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A Mitigation Monitoring and Reporting Program was adopted for this project.
5. A Statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final Environmental Impact Report with comments and responses and record of project approval is available to the general public at: UC Santa Cruz Physical and Environmental Planning, Barn G, 1156 High St., Santa Cruz, CA, Attn: Alisa Klaus, (831) 459-3732.
